

BRUNO TREZZA

BUSINESS ANALYST - PO
DATA SCIENTIST

PROFILE

As a Product Owner I am pleased to know my decisions improve other's lives. With my data centric perspective, I enjoy discussing about product definitions and user experience. I love technology and I'm proud it is part of my profession. I am empathic, responsible, I learn fast and I'm looking for challenges with great impact that allow me as well to maintain a continuous discovery, giving me the chance to stand out and be recognized.
